## From The President

Happy New Year to all of you!

I hope that everyone had a nice Christmas break and you're your Holidays were filled with family fun and good celebrations. Those of you whose sons and daughters were at sea during the break no doubt missed having your Midshipman at home, but the experience they gain while at sea and abroad is invaluable to them and will be a part of lifetime memories to be shared over and over again.

We have passed the mid-year point for our Association and next month, at our February 20th meeting we will be taking nominations for our officer's slate for 2010-2011. I would like to encourage all parents of our Underclassmen to consider serving the Association next year. We need your help and participation to continue serving our Midshipmen. Remember, no Midshipman is omitted from participation in our activities and none are excluded from the benefits.

## All Academies Balls

Our Parents Association supported the US Naval Academy and Coast Guard Parents in planning and hosting the All Academies Ball for the Houston Area which was held at Moody Gardens in Galveston. Fourteen of our Midshipmen attended, as did several

family members. Several pictures of the Ball have been posted on the web site courtesy of Gerald Roznovsky. Thank you Gerald!! Gerald has made his entire portfolio of pictures available to our membership for viewing, downloading and/or purchase from his business web-site (see the Information from Gerald, below).

In addition, an All Academies Ball was sponsored by the San Antonio Chapter of the Naval Academy: It was held at the Hyatt Hill Country Resort near Austin and five of our Midshipmen attended that function. All of our Midshipmen and Parents want to thank and the Houston Alumni Chapter for graciously paying the event fee at both locations for all of the South Texas Midshipmen.
